Training Seminar
Criminal Drug Interdiction For Street & Road Patrol Officers
“Beyond The Traffic Stop”

Instructor:
Greg Goltz
Greg Goltz is a 20 year veteran trooper with a large Midwest State Police Agency. He is the instructor for his agency in Criminal Interdiction/Patrolling and has instructed Criminal Interdiction/Patrolling to thousands of law enforcement officers and their agencies from all over the United States. Greg is a Veteran Police Service Dog Handler, Firearms Instructor and Team Leader for SWAT. He also worked very successfully in undercover operations purchasing illegal drugs of all kinds. While working in uniform, Greg has seized millions of dollars in United States currency and literally thousands of pounds of contraband all while making normal traffic stops that he turned into Criminal Interdiction arrests. Greg is a declared Expert Witness in both the State and Federal court systems and actively testifies about this subject matter. Greg has received numerous awards for his Interdiction efforts and the training he provides, and currently has several “record size” seizures, and also has made presentations about this subject matter to several Governors. Greg is also responsible for very important case law that better enables officers to do this work, including the now important United States v. Morgan, Walker, Jones, and United States v. Felts. Greg still works the road and still actively pursues these criminals during his everyday encounters, and also works with other officers who have had tremendous success using these techniques. Join him, as he wants to spread his knowledge of catching “bad guys” and learn firsthand from individuals who are out there every day working the “ins and outs” of criminal interdiction.

Criminal Drug Interdiction For Street and Road Patrol Officers
“Beyond The Traffic Stop”

Course Objectives:
Students will see first hand how Criminal Patrol Techniques can yield large and small drug and other type arrests from traffic stops and other legal contacts with people of society irregardless of age, sex, race, gender or any other class or designation. Officers will learn about the growing number of drugs they may see in their area and how to battle them. The students will learn how to use these legal techniques into place with these types of contacts after completing the class.

After Attending:
Each student attending will have been provided the instruction to:
- Learn the history of contraband saturation into the U.S. and how over time the trends and patterns have shifted
- Identify legal traffic stops
- Identify the conversational questions and concealed interviews during the encounter
- Identifying indicators
- Detect that some terrorist's networks are tied to drugs and how to stop them
- Requesting consent legally
- Identifying search and seizure laws especially search incident to arrest, probable cause and other legal techniques
- Properly use K-9's and the case law pertaining to their deployment
- Identify how to be more officer safety conscious
- How actual search techniques should escalate
- Locating hidden contraband in very sophisticated compartments
- Identify cover loads
- What to do after criminal activity or contraband is located
- Documenting these arrests properly
- How controlled deliveries can develop into more arrests and the perks with them
- Recognize escort/decoy vehicles and the awareness with them needed
- Identify currency seizure procedures and how they benefit your agency
