Instructors:

Richard E. Lober, J.D., C.I.G.A.

Richard Lober specializes in training for law enforcement officers, correctional officers and investigators for government agencies. Until his retirement in May 2010, Richard Lober was the Inspector General for Florida’s Department of Environmental Protection, which had over 4,000 employees. The Inspector General had independent authority concerning all matters relating to the investigation and review of misconduct, fraud, waste, mismanagement and misappropriation of the agency’s resources. The Office of the Inspector General became one of the first offices in the Florida to be awarded accreditation for meeting the high standards in conducting investigations as established by the Commission on Florida Accreditation. Mr. Lober was also the Agency Head of Florida’s Medicaid Fraud Control Unit – Office of the Attorney General. This 232 person law enforcement agency had statewide responsibility for criminal and civil enforcement of healthcare fraud & patient abuse.

Mr. Lober has served as the Chief Inspector of the Office of Executive Investigations for the Florida Department of Law Enforcement (FDLE). This office, which reported directly to the FDLE Commissioner, handled Governor Ordered investigations, high profile public corruption cases, internal investigations and background investigations of Governor Appointees. Mr. Lober was also an Assistant General Counsel with FDLE and held several other positions with the agency. Prior to joining FDLE, Attorney Lober was General Labor Counsel for the Miami-Dade County Police Benevolent Association and was a prosecutor in the Miami-Dade State Attorney’s Office. His law enforcement career, which began in 1974, included six years as a deputy sergeant with the Miami-Dade Police Department.

Mr. Lober received his Juris Doctorate in 1983 from Western New England School of Law and began his legal career as a prosecutor with the Miami-Dade State Attorney’s Office. He also has a Bachelor of Arts Degree in Public Administration. In 2010, Mr. Lober became a Certified Inspector General Auditor, which was awarded by the Association of Inspectors General. From 2001 – 2003, Mr. Lober served as the Charter President for the Florida Internal Affairs Investigators Association. He is an honorary member of that Association as well as the Miami-Dade County PBA. He also served on the Executive Committee of the Florida Association of Inspectors General.

David W. Rivers, Sgt. (Retired)

David Rivers retired as a Detective Sergeant in the Homicide Bureau of the Metro-Dade Police Department after over 27 years of service. He was assigned to the Homicide Bureau for 20 of those 27 plus years. As a lead investigator and supervisor he conducted and assisted in the conducting of several hundred investigations. These include homicides, suicides, accidental and other death investigations. In 1988 David was assigned as the Supervisor of the “Cold Case Squad” which was responsible for the continuing investigation of information received on over 1,800 open homicides dating back to 1951. Additionally, he has consulted on cases in the United States, Canada, Holland and the United Kingdom. He has a Bachelor of Science in Criminal Justice from Nova Southern University and a Master of Science degree in Criminal Justice from Florida International University.

David is a charter member and past member of the Board of Director’s of the International Homicide Investigators’ Association. In 2012 he received an Excellence and Life Time Achievement Award from the International Homicide Investigators’ Association for Death Investigation and Training. Additionally, he is a member of several state homicide investigators associations. He is a current member of International Law Enforcement Educators and Trainers Association (I.L.E.E.T.A.), International Police Association (I.P.A.); Academy of Criminal Justice Sciences (A.C.J.S.) and the Police Section of the American Criminal Justice Association. In 2010, Mr. Lober served as the Charter President for the Florida Internal Affairs Investigators Association. He is an honorary member of that Association as well as the Miami-Dade County PBA. He also served on the Executive Committee of the Florida Association of Inspectors General.

Training Goals and Objectives:
The purpose of this program is to prepare officers, supervisors, investigators and prosecutors in the proper response and investigation of serious use of force incidents and officer-involved shootings. What can an agency expect when an officer wounds or takes the life of a person? First, the agency can expect the onslaught of media attention. Second, the agency must ensure the well-being of the involved officer. Third, the agency must recognize its responsibility to conduct an administrative investigation to prepare in earnest for this inevitable eventuality. It is also essential that the investigator charged with the task of leading a police officer involved shooting incident become as equally prepared.

Overview:
The program focuses on the role of the investigator and the critical need to report, document and investigate officer involved shootings properly in order that a lawsuit will not follow. Throughout all of this, the agency must ensure the well-being of the involved officer.

- To acquaint the attendees with the media impact on use of force.
- To inform the attendees of professional standards and policies regarding use of force incidents, including reporting requirements.
- Attendees will learn the legal standard for the use of deadly force and its practical application to such incidents.
- To acquaint the attendees with practical problems that may confront a supervisor/investigator who is handling a use of force incident.
- To acquaint the attendees with the social media impact on use of force incidents/investigations and policy development related to body cameras and video of such incidents.
- To conduct an administrative investigation.
- To identify the four necessary investigations.
- To create an agency review process.
- To identify critical details needed for every use of force report.
- To write and examine reports using step-by-step strategies.
- To apply strategies that make reports easier to read and write.
- To capture specific data in reports to guide future use of force training.
