

PATC

BACKGROUND INVESTIGATIONS

Your Hiring Process Is

Your First Line of Defense

- ✓ Make defensible hiring decisions backed by real data
- ✓ Reduce liability exposure before it turns into litigation
- ✓ Ensure full compliance with all applicable regulations and standards
- ✓ Hire right the first time and avoid costly turnover
- ✓ Prevent internal misconduct before it starts
- ✓ Identify and eliminate high-risk candidates early

The Problem:

Recruiting qualified candidates has never been harder, and cutting corners in background investigations creates long-term risk.

The Reality:

You can't afford a bad hire, but you also can't afford a slow or inefficient process.

The Solution:

PATC delivers thorough, defensible background investigations that protect your organization and strengthen your hiring decisions.

Every hiring decision impacts your organization's reputation, safety, and liability.
We help you get **it right every time.**
